

Fluid Draining Technology

**Credit Card Backup Form**

In continuing efforts to improve our accounts receivables, No-Spill Systems will now require a credit card (Visa or MasterCard) to be stored on file as a primary and/or back-up for payment purposes.

Our normal payment terms are due net 30 days, payable by cheque, credit card or electronic funds transfer. However, due to an increasing customer base as well as those not adhering to the original payment terms we will now require a credit card on file.

If approved, or if you have previously been approved for credit, your credit card will only be charged in full if we have not received payment within 60 days from the original invoice date.

If there is an overlap between when you have sent your cheque and No-Spill Systems charging your credit card, your cheque will be promptly sent back to your accounts payables department.

In order to proceed with your next order, this information will be required before processing.

**Please fill out your credit card information in full (be sure to include name, number and expiration date)**

Credit Card # \_\_\_\_\_ Exp date: \_\_\_\_\_ / \_\_\_\_\_  
(month/year)

Name on Card: \_\_\_\_\_

Fax or email to ,Kaye Bain, [kaye@nospillsystems.com](mailto:kaye@nospillsystems.com) or fax- 888-876-7982.

Please make cheques payable to *No-Spill Systems, Inc.* and mail to the address below:

No-Spill Systems Canada  
Unit 5 – 12 McGillivray Place  
Winnipeg, MB
